

### SANDELL'S CELL VENTS

**Product Name:**

Sandell®'s Cell Vents

**Product Description:**

Sandell®'s Cell Vents have a distinct intersecting design that permits moisture to migrate immediately out of cavity wall construction.

**Use:**

Sandell®'s Cell Vents are used to channel moisture to the exterior of a structure through planned openings within the wall. With a unique honey comb design, debris, insects and various trappings that tend to obstruct openings and cause drainage complications, are eliminated. Sandell®'s Cell Vents are extremely durable being composed of a polypropylene plastic.

**Sizes:**

- ❖ Standard - 3/8" x 2-1/2" x 3-3/8"
- ❖ Jumbo - 3/8" x 3-1/2" x 3-1/2"

**Colors:**

- ❖ Clear
- ❖ Gray
- ❖ Almond
- ❖ Cocoa Tan
- ❖ Brown
- ❖ Ebony
- ❖ Rust

**Warranty:**

Sandell®'s Cell Vents carry a manufacturer's warranty of material specification compliance.

**Maintenance:**

Sandell®'s Cell Vents should not require maintenance if installed in accordance with Sandell®'s specifications and instructions.
