Dovetail Anchor

Dovetail Slot

**Product Name:**  
Sandell's Dovetail Anchor Slots

Sandell's Dovetail Anchor Slots come standard with a polystyrene foam filler to keep the channel clear of concrete, as well as to resist closure from hydraulic pressure. They are available without polystyrene foam if necessary. Having a continuous user-friendly nail groove along the back edge of their profile, the product can be easily nailed to forms.

**Finishes:**  
❖ Hot dipped,  
❖ Galvanized steel  
❖ Stainless Steel

**Gauges:**  
❖ 28, 26, 24, 22,20, and 18.

**Length:**  
❖ 10'  
Custom lengths are also available for special order requests.
