

SANDELL'S REBAR CAPS

Sandell's OSHA Approved Rebar Caps

Sandell's® OSHA Approved Rebar Caps prevent injury by eliminating potentially hazardous exposed steel on a jobsite. The 4 x 4, brightly colored, high-impact plastic and durable texture provide extensive protection to a construction work zone. The product installs in seconds and readily fits a wide range of diameters, standard through #7. This reusable, environmentally friendly product is in compliance with Federal OSHA (Occupational and Safety Health Administration) standards.

Sizes:

- ❖ Standard - Size 3 - 7
- ❖ Medium - Size 8 - 12
- ❖ Large - Size 12 & Up

Sandell's Mushroom Rebar Caps

Mushroom Rebar Caps are used as a protective cover for bolts, pipes, rebar and other protrusions that could be potentially hazardous. The bright color creates a visual warning to workers or pedestrians. This device is not intended to prevent impalement or accidental falls, but to reduce the possible risks or dangers.

Sizes:

- ❖ Two standard sizes fit a variety of diameters, from 1/2" up to 2-1/4"
